Sado Island Center for Ecological Sustainability

Research Station for Toki and Ecological Restoration

Research Station for Toki and Ecological Restoration in Toki Koryu-kaikan Building

<b>By Bus</b>	Take a bus from the ferry terminal in Ryotsu to Sawada. Get off the bus at the Tennoshita bus stop. Cross the small bridge by the bus stop and turn the left towards Katagami Onsen (hotspring). It's a 10 minute walk from the bus stop to Research Station for Toki and Ecological Restoration.
<b>By Taxi</b>	Tell a taxi driver to go to "Toki Koryu-kaikan" in Niibo village. It takes about 15 minutes from Ryotsu to Research Station for Toki and Ecological Restoration.
